- Data Management and Documentation
- Wireframes
- HTML, CSS, Javascript
- React JS
- SQL

Language

English (B2 + / Professional)

Spanish (Native)

French (B1)

Italian (B1)

Experience

2011

Registro Nacional de las Personas (Civil Registration)

Data Entry / Public attention

As a registrar clerk, my primary role involved conducting interviews with individuals, capturing their information accurately into the system, and processing payments for the issuance of national identification cards and passports. I was entrusted with collecting necessary data, ensuring its correctness, and facilitating the completion of necessary documentation for ID and passport applications.

2012 - 2015

Ministerio Publico de la Nación. (Department of Justice equivalent)

Chief opperating Officer (Oficial Mayor)

In my role as Chief of Staff at the Investigative Prosecutor's Office and later at the Federal Prosecutor's Office, I held a pivotal position overseeing administrative operations, managing critical logistical tasks, and facilitating seamless communication between leadership and staff. Responsibilities included leading investigations, sketching legal resolutions, coordinating case workflows, supervising administrative personnel, and streamlining internal processes to enhance efficiency and efficacy in legal proceedings.

2015 - 2023

Galindo - Augugliaro - Hermida Law Firm

Associate Lawyer

As an associate lawyer, I managed comprehensive legal cases while also overseeing a team of employees under my direction. In addition to my direct involvement in legal proceedings, I provided leadership, training, and support to enhance the team's efficiency and effectiveness in handling complex cases. My role not only encompassed legal expertise but also effective management and mentorship of personnel to collectively achieve successful case outcomes.

2022 - 2023

Programming Student

I have dedicated a year to studying programming and have attained six certifications from CoderHouse and FreeCodeCamp. Additionally, I am on the verge of completing the prestigious CS50 course offered by Harvard University.

Programming Certifications:

- Jan 26, 2023: Javascript Algorithsm and Data Structure - FreeCodeCamp
